White

## Technical Details

**Optics:** Polycarbonate lens diffuses light evenly throughout space with no pixelation.

**Construction:** IC rated driver and fixture are tested and approved for direct contact with insulation. Aluminum die-cast trim ring with durable powdercoat finish preventing rust and paint cracking. Plenum rated cable connector to connect from module to remote driver box. Isolated driver integrated inside aluminum remote box with two 7/8" knockouts with slots for pryout.

**Installation:** Designed for super shallow ceiling plenums without any housing. High strength steel spring clip for easy installation. Hole cut out template provided for accurate hole size for proper trim installation. Maximum hole size should not exceed 8 1/4" for this product. To be used with ceiling thicknesses up to 1 1/4" (two layers of 5/8" drywall). Suitable installation for T-grid and drop ceiling applications.

**Electrical:** Driver connects directly to 120V power supply. High Efficiency driver with a power factor > 0.9. Standard input wattage is 33W, 66 lumens per watt. Replaces 220W incandescent.

**Dimmability:** Works with 120V Triac and ELV type dimmers. Dims down to 10%. For full list of dimmers, refer to the ELM System Dimmer Compatibility List.

**Listings:** ETL Listed for Wet Locations. Meets ENERGY STAR® requirements. IC-Rated for direct contact with insulation. Air Tight certified in accordance with ASTM E283-2004. California Title 24 compliant (JA8-2016-E)

**Warranty:** 5-year limited warranty.
