TECHNICAL DETAILS

Optics: Frosted polycarbonate module lens diffuses light evenly throughout while reducing glare with LED technology.

Construction: Integrated driver and light engine with quick connect.

Installation: For use with MR16 style trims. Can be used in LED quick connect housings or traditional E26 base housings. For residential use only.

Electrical: 120V Input Lamp. High efficiency driver with a power factor >0.9. Start time of less than 0.75 seconds.

LED Technology: Color Rendering Index of 90+. Lumen Maintenance of 35,000 hours Instant On to Full Brightness technology. No LED pixelation.

Dimmability: Works with 120V Triac and ELV type dimmers. Dims down to 10%. For full list of dimmers, refer to the Dimmer Compatibility List.

Listings: UL Listed for Damp Locations. UL Listed for Wet Location with Wet location trims. RoHS Compliant. Meets California Title 24 JA8-2025-E standards.

Warranty: This item is covered under our 1-year Limited Warranty.
