# **3" Round LED Reflector Insert**

ELCO Lighting's inserts are engineered with energy-efficient LED technology that produces even illumination with an incredible 93+ CRI. Designed to be used for New Construction, Remodel, and Retrofit applications, these inserts are rated for a life of 50,000 hours, and meet the Title 24 and Energy Star requirements. Suitable for IC and Non-IC housings manufactured by ELCO or others.

### Features

- Fits ELCO 3" Dedicated LED Recessed Housings for New Construction and Remodel.
- Soft white lens provides smooth lumen distribution and • eliminates LED pixelation.
- Deep set LED trim reduces glare while providing area illumination.
- Diecast construction provides lasting durability.
- Energy Star Certified ٠
- Title 24 JA8-2019 Compliant
- Life Span of 50,000 hours L70.

### Specifications

| Wattage      | 9WW                                  |
|--------------|--------------------------------------|
| Lumens       | 710 lm                               |
| Voltage      | 120V                                 |
| Color Temp.  | 2700K, 3000K, 3500K,<br>4000K, 5000K |
| Dimmable     | Triac/ELV                            |
| Lamp Type    | LED                                  |
| Beam Angle   | 90°                                  |
| CRI          | 93+                                  |
| Wet Location | Listed                               |
|              |                                      |

### technology

**Technical Details** 

Construction: For use in IC and non-IC housings. Diecast construction for lasting quality and greater heat dissipation. High quality powder coat finish preventing rust and paint cracking.

Optics: Frosted polycarbonate lens diffuses light evenly throughout while reducing glare with LED Array

Installation: Quick connect for use with ELCO housings EL390ICA, EL390RICA, EL39FICA.

Electrical: Driver connects to 120V power supply. High Efficiency driver with a power factor > 0.9.

### LED Technology:

- Extremely accurate color rendering with 93+ CRI.
- Lumen Maintenance of 50,000 hours L70 life based on LM80 standardized test results. •
- Superior Thermal Management by utilizing integral heat sink. •
- Instant On to Full Brightness.
- No LED pixellation. •

Dimmability: Works with 120V Triac and ELV type dimmers . Dims down to 10%. For full list of dimmers refer to the Dimmer Compatibility List.
