ELCO Lighting
The Best Choice in Lighting
Indoors or outdoors, lighting a stairway improves safety and adds an inviting glow to your space. LED step lights can be used to enhance your landscape, to amplify your deck lighting when entertaining, for commercial exterior lighting, or simply to feel more secure knowing your staircase is brightly lit.
Introducing ELCO’s Ibis, Trogon, and Moa Collections

Over two and a half decades ago, in the heart of Los Angeles, ELCO Lighting was founded on the philosophy that high quality lighting products should be sold at a fair market price. Our commitment to this philosophy and dedication to exceptional customer service serve as the very soul of our company. We take pride in our perpetual commitment to such standards that enable us to continually prosper in a highly competitive and unpredictable industry.

With our expanding LED product line that entails recessed, track, undercabinet, outdoor and emergency lighting, we are ready to fulfill a variety of lighting demands. Quality engineering, fair market value, professional customer service, and micro-managed inventory are the cornerstones of ELCO Lighting.
