

NEW Koto™ System 2" & 3" Trimless

A favorite in high-end residential as well as architectural spaces. Designed to seamlessly make the trim ring invisible showing only the reflector and lens with no visible trim ring. Slides in-and-out of a finished ceiling without the aid of any tools. Includes a well engineered extra thin spackle frame for a easy mudding and lasting quality.

Mount Spackle Frame

Well engineered extra thin spackle frame for a easy mudding and lasting quality
