

**CAUTION:** Turn off power before installing fixtures

**ASSEMBLY/INSTALLATION INSTRUCTIONS**

**Step 1**

Mount cross bar securely to outlet box using (2) mounting screws through slot in cross bar

**Step 2**

Make wire connections with wire connectors:

- Connect black supply wire with black fixture wire using a wire connector
- Connect white supply wire with white fixture wire using a wire connector
- Connect ground supply wire with copper (or green) fixture wire using a wire connector

**Step 3**

Tuck the wires carefully inside the outlet box

**Step 4**

Press (2) snap rings with both hands and clip into the groove on the cross bar

**Step 5**

Turn power back on at fuse or circuit box
